About Make-A-Wish®

Make-A-Wish Middle Tennessee grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Make-A-Wish Middle Tennessee grants wishes in 38 counties and has granted more 1,400 wishes since its founding in 2000. Nationally, Make-A-Wish grants a wish every 34 minutes and has granted more

than 285,000 wishes in the United States since its inception in 1980.

Wishes are more than just a nice thing. And they are far more than gifts, or singular events in time. Wishes impact everyone involved - wish kids, volunteers, donors, sponsors, medical professionals and communities. The impact varies. For wish kids, just the act of making their wish come true can give them the courage to comply with their medical treatments. Parents might finally feel like they can be optimistic. And still others might realize all they have to offer the world through volunteer work or philanthropy.

Whatever the odds, whatever the obstacles...wishes find a way to make the world better.

Sponsorship Levels

Make-A-Wish is consistently ranked as one of the country's top five charities with a 98% name recognition among consumers and is Better Business Bureau accredited. Aligning with Make-A-Wish will help your brand stand out to your customers, your investors, your employees and to the general public.
